- 1.2 These rules may be modified only by written agreement of the Funder and at least 75% in number of the Members.
- 1.3 These rules and the Member Agreement of a Member (and documents referred to therein) together are the entire agreement between that Member and the other parties to the Scheme. A party waives a right under that agreement only in writing signed by that party. The laws in the State govern that agreement.
- 1.4 If any rule is or becomes inconsistent with the Rules of Court (or similar) applicable to an Action on foot, as regards that Action such rule must be read down or failing that is ineffective to the extent of the inconsistency. This does not affect the validity or enforceability of that rule as regards any other Action, nor the remainder of these rules in any Action.

2. Dictionary:

In these rules:

2.1 "**Action**" means, as regards Claims, as applicable:

 - 32.3 Bring or permit to be brought or continue any proceeding which claims relief arising out of the same or similar facts pleaded in any Action, or any proceeding which could result in a reduction in the amount recoverable pursuant to any Action; or
 - 32.4 (Except one in favour of the Funder) grant a security interest over their Claim or contingent share of Recovery – disregarding the general lien at law held by the Lawyers.

If a Member's Claim or contingent share of Recovery is or becomes the subject of a security interest held by a third party (except such general lien as above), the Member must take promptly all steps required to ensure that Funder's security interest has, and continues to have, priority over that third party security interest.

33. **Value of Claims:** If not finally determined in an Action, the value of Claims one against the other will be finally determined by the Lawyers. Absent any such determination, all Claims have equal value.

PART 10: DUE DILIGENCE

34. **Due Diligence:** During the Due Diligence Period:

34.1 The Funder will carry out Due Diligence; and

34.2 If requested by the Funder, the Lawyers may carry out Due Diligence as to inform the Funder's own investigation.

35. **Funder's obligations:** Notwithstanding any other obligations to the Scheme, during the Due Diligence Period the Funder's obligation is limited to the payment of Due Diligence Costs in an amount not exceeding the sum specified in Item 5 of the Schedule. This rule does not prevent the Funder from exceeding that sum for Due Diligence Costs in its absolute discretion.

36. **Outcomes of Due Diligence:** The Funder may notify the Lawyers that outcomes of Funder's Due Diligence were satisfactory. Notice so given is a "**Funding Confirmation Notice**".

PART 11: ACTIONS

37. **Management of Actions:** The Funder and the Representative must agree as to the strategy and tactics of prosecuting the Claims including:

37.1 Any matter related to settlement of the Action, including any decision as to the making or acceptance of an offer of settlement or compromise and whether to put the Claims to mediation before or after an Action is commenced;

37.2 The Defendant/s to any Action;

37.3 The forum for trial of the merits an Action (a Court, arbitration, referral to an expert) - it being the intention when establishing the Scheme that an Action be brought in the Federal Court of Australia as a *representative proceeding* under Part IVA of the *Federal Court of Australia Act 1976* (Cth);

37.4 Whether to take any steps at Court (such an order for pre-action discovery) before filing an originating application (or similar) at Court;

37.5 Filing and service of any interlocutory application in any Action;

37.6 Any step proposed to be taken that is likely to have a material effect on the Action, the Recovery, the Action Costs and/or the Adverse Costs;

37.7 Whether to proceed as a "test case" on any issues of fact or liability common to all Claims, or on a full trial of all Claims; and

37.8 The engagement of barrister/s and/or experts.

In the absence of agreement between the Funder and the Representative, the provisions of Part 18 shall apply.

PART 12: APPEALS

38. Funding of an Appeal:

38.1 Despite any other provision of these rules, the Funder is not obliged to fund or support an Appeal except if and to the extent the Funder notifies the Lawyers otherwise and in advance.

38.2 The Funder not funding an Appeal does not prejudice the Funder's right to payments from Recovery as may result from an Appeal, save that reasonable costs and expenses of the Appeal may be deducted before the payments rule 60 requires are made.

PART 13: FUNDING

39. **Funder's obligations:** Notwithstanding any other obligations to the Scheme, prior to the commencement of the Due Diligence Period, the Funder shall have no obligation to fund the Actions or make any payments in respect of the Scheme. During the Due Diligence Period the Funder's obligation is limited to the payment of Due Diligence Costs in an amount not exceeding the sum specified in Item 5 of the Schedule. This rule does not prevent the Funder from exceeding that sum for Due Diligence Costs in its absolute discretion.

40. **Cap on funding:** If the Funder remains a party to the Scheme following the completion of the Due Diligence Period, subject to the other rules, so long as the Funder remains party to the Scheme the Funder must fund one or more Actions for sums not exceeding in aggregate the Cost Limit.

41. **Cost Limit:** The Lawyers and the Funder will agree a Cost Limit. The Cost Limit is confidential. The Lawyers are to advise the Members when the Cost Limit has been exceeded.

42. **Form of funding:** Funding by the Funder may take the form of:

42.1 Payment of Action Costs;

42.2 Payment of Adverse Costs; and

42.3 Payment of security for Adverse Costs which may include procuring ATE Insurance or providing a Deed of Indemnity.

43. **Use of funds:** The Scheme may use funding from the Funder only towards defraying Action Costs and Adverse Costs incurred or to be incurred or, where applicable, in providing security for Adverse Costs.

44. **Evidence of funding:** A certificate signed by any then director of the Funder as to the total and / or composition of the Outstanding Funding on a certain date is sufficient evidence of the matter unless proved incorrect.

45. **Prior funding:** These rules govern any moneys provided by the Funder for the purposes defraying any Action Costs or Adverse Costs before a Member becomes a Member.
46. **Cessation of funding:** To avoid doubt, the Funder is not obliged to fund or otherwise support any Action (or Appeal) after the Funder ceases to be party to the Scheme.

PART 14: ATE INSURANCE

47. **ATE Insurance:** The Funder may procure ATE Insurance for the benefit of, and at a cost to, the Scheme.
48. **Insurance terms:** the Funder has the sole decision:
- 48.1 Whether to obtain ATE Insurance; and
- 48.2 The terms and conditions of any ATE Insurance obtained (including exclusions from cover, the premium and when payable, whether the "insured" would be named as the Funder, the Representative/s, or the Members as a class).
49. **Unwinding the insurance:** If the Funder ceases to be a party to the Scheme and is personally liable to pay the premium of ATE Insurance not yet paid to the insurer, the Funder would endeavour to convey the policy and responsibility for that payment to a nominee of the Lawyers, and failing that the Funder may cancel the policy.
50. **ATE Insurance premium:** The premium for ATE Insurance (before GST and stamp duty) is customarily between 25% and 45% of the likely quantum of Adverse Costs. To the extent that the premium (or any part thereof) is paid by the Funder it is to be an Action Cost. To the extent that the premium (or any part thereof) is deferred, it is to be paid out of the Recovery and is not to be an Action Cost.

PART 15: CONFIDENTIALITY

51. **Privileged communications:** At all times pending final resolution of the Claims, information concerning the Scheme, the Claims or an Action exchanged between any of the Lawyers, a Member and / or the Funder is subject to legal professional privilege or common interest privilege. Except upon the Lawyers' prior written recommendation, no party must allow anything that would waive that privilege over any such information.
52. **Duty of confidence:** At all times pending final resolution of the Claims, a party who obtains information because they are, or have been, a party to the Scheme must not improperly use the information to cause detriment to the Scheme or to another person who is or was a party to the Scheme and the parties agree:
- 52.1 The Member Agreement is strictly confidential and must be protected from disclosure by reason that disclosure would or may provide the Defendant with a strategic or tactical advantage in any Action;
- 52.2 Any information concerning the Claim:
- 52.2.1 Is disclosed, provided, generated or exchanged:
- (a) On a strictly confidential basis;
- (b) Solely for the purposes of the Member Agreement;

(c) In contemplation of, or in the conduct of, legal proceedings in relation to the Claim; and

- 52.2.2 May be subject to legal professional privilege.
- 52.3 The Member does not by any disclosure of Claim Information to the Funder and/or other Members waive any legal professional privilege;
- 52.4 For the purposes of the Member Agreement, the Members have a common interest in the sharing of Claim Information;
- 52.5 A party must not disclose any information concerning a Claim or the Member Agreement to any third party (except the Lawyers) unless such disclosure is:
- 52.5.1 Required by law;
 - 52.5.2 Authorised by the Member Agreement;
 - 52.5.3 Made on a confidential basis with the Funder's prior written consent to the fact and contents of that confidential disclosure;
 - 52.5.4 Made by the Funder for the purposes of obtaining legal or financial advice or assistance; or
 - 52.5.5 Required by the rules of any financial market on which the Funder is listed.

This rule survives the termination of the Member Agreement.

53. **Confidential settlement:** If to the knowledge of a party to the Scheme the Claims are resolved on terms that are confidential, that party must adhere to such confidentiality.

PART 16: RESOLUTION OF THE CLAIMS

54. **Resolution of Claims out of Court:** The Lawyers, with the Funder's agreement, have irrevocable authority to, whether before or during an Action:
- 54.1 (With prior approval of the Representative/s or, if there is no Representative, with the agreement of at least 75% in number of the Members) abandon the prosecution of the Claims on the written opinion of senior counsel (the costs of which would be a Scheme Expense) in terms that prosecution of the Claims is likely to either fail or be unprofitable to the Members;
 - 54.2 (Subject to the next following rule) resolve the Claims by negotiation.
55. **Offers to settle:** If the Scheme proposes to make, or receives, an offer to settle the Claims (in whole or in part) and there is a dispute between the Representative and the Funder whether such offer should be made or accepted:
- 55.1 The Scheme (via the Lawyers) must seek the written opinion of senior counsel (the costs of which would be a Scheme Expense) whether settlement on the terms proposed is fair and reasonable;
 - 55.2 If in the senior counsel's opinion such settlement is fair and reasonable, the Lawyers will do all that is necessary to arrange settlement on those terms (including seek an

order of the Court approving settlement if so required by the Rules of Court (or similar)).

56. **Senior counsel:** In rules 54 and 55, "**senior counsel**" means the most senior counsel retained by the Lawyers in respect of the Claims (or an Action, if then on foot). If no senior counsel has been retained, the senior counsel must be a barrister selected by agreement of the Funder and the Representative or, in the absence of such agreement, an individual selected by the President of the Law Society of the State at the instigation of the Lawyers.

PART 17: RECOVERY

57. **Payments in:** Except as a Court may order otherwise without instigation by any Members, in the first instance any and all Recovery is to be paid or conveyed to the Lawyers on trust for the Members and the Funder.
58. **Non-cash Recovery:** Any Recovery conveyed to the Lawyers in form other than money must be converted promptly into money at a market price, which money (minus costs of sale or other conversion) is then included in the Recovery.
59. **Member's direction to Lawyers:** Each Member shall give an irrevocable direction to the Lawyers, in a form approved by the Funder, requiring the Lawyers to apply the Recovery promptly in as set out in rule 60. The Member appoints the Funder as its attorney should the Member fail to provide this irrevocable direction to the Lawyers.
60. **Application of Recovery:**
- 60.1 In consideration of the Funder agreeing to enter into this Member Agreement and performing its obligations, the Member agrees that the Funder is entitled to receive payment of an amount equal to the Funder's Interest.
- 60.2 As soon as reasonably practicable the Lawyers are to take all steps necessary to distribute the Recovery in the following priority:
- 60.2.1 First, in paying any ATE Insurance premium (or any part thereof) and GST that is payable out of the Recovery pursuant to any ATE Insurance policy;
- 60.2.2 Next, in defraying Action Costs and / or Adverse Costs incurred but yet to be satisfied;
- 60.2.3 Next, in payment of the Outstanding Funding and the Funder's Interest* to the Funder (and the Funder has a charge over all Recovery as security for such payment);
- 60.2.4 Next, in payment to Members in the proportion that the value of their respective Claims bears to the aggregate value of the Claims of all Members.

* If at the time the Recovery is fully earned the Funder is no longer party to the Scheme, the Funder's Interest is not payable to the Funder from the Recovery.

PART 18: DISPUTE RESOLUTION

61. **Procedure:** Subject to rule 55, the procedure under this Part must be applied to any dispute between any parties to the Scheme in connection with the Scheme, except any decision by the Funder to cease to be party to the Scheme.
62. **Saving:** The procedure under this Part does not prejudice the right of a party:
 - 62.1 To seek injunctive relief to prevent immediate and irreparable harm; or
 - 62.2 To terminate a party being party to the Scheme where the basis for doing so is not in dispute.
63. **Step 1:** A party to the dispute (**Party 1**) must promptly notify each other party to the dispute (**Party 2**):
 - 63.1 The nature of the dispute, giving reasonable details; and
 - 63.2 What action (if any) Party 1 thinks will resolve the dispute.
64. **Step 2:** A Party 1 who complies with the previous step may at the same or a later time notify each Party 2 that Party 1 requires a meeting at a mutually convenient location in the State within 5 Business Days after the giving of such notice. In that case, each party to the dispute must either attend personally or send to the meeting an agent with authority to resolve the dispute, and at the meeting make a good faith attempt to resolve the dispute.
65. **Step 3:** Despite whether any previous step was taken, a dispute not resolved within 20 Business Days must be referred to arbitration, as to which:
 - 65.1 There must be only 1 arbitrator, being an individual agreed by the parties in dispute or, if they cannot agree within 5 Business Days, an arbitrator nominated by the then Chairperson of that Chapter of The Institute of Arbitrators and Mediators Australia of the State;
 - 65.2 The role of the arbitrator is to resolve the dispute and make decisions binding on the parties in dispute;
 - 65.3 The arbitration must take place in the State;
 - 65.4 A party to the dispute must cooperate in arranging and expediting arbitration;
 - 65.5 A party to the dispute must either attend personally or send to the arbitration an agent with authority to resolve the dispute,
 - 65.6 The parties in dispute may provide evidence and give written and verbal submissions to the arbitrator within the time set by the arbitrator;
 - 65.7 The arbitrator must:
 - 65.7.1 Consider the evidence and submissions;
 - 65.7.2 Take into account the economics of the matter, from both the perspective of the Funder and the Members, including having regard to actual and likely Action Costs, estimated and likely Adverse Costs, the likely amount and recovery of damages or other monetary compensation in respect of Claims;
 - 65.7.3 Decide the dispute; and

65.7.4 Give written reasons to each party to the dispute;

65.8 Subject to these rules, the arbitrator must fix the rules of arbitration;

65.9 The costs and expenses of the arbitrator, and of each party to the dispute, must be borne as the arbitrator decides.

66. **Complaint against the Funder:** Where a Member has a complaint against only the Funder, the Member may initiate Funder's internal dispute resolution system as described in Funder's Complaints Policy (copy available upon request).

PART 19: REGULATORY MATTERS

67. **AFSL not required:** Under regulation 5C.11.01 of the *Corporations Regulations 2001*, the Scheme is not a managed investment scheme for the purposes of the *Corporations Act 2001* (Cth), and under regulation 7.6.01(1)(x) of the *Corporations Regulations 2001* (Cth) the Funder need not hold an Australian financial services licence for the purposes of the Scheme. If at any time, in Funder's reasonable opinion, either or both of those exemptions cease to operate, the Funder may elect to terminate further funding to the Scheme, without prejudice to rights and obligations then accrued. In that case, the Funder remains entitled to recover the Outstanding Funding from any later Recovery.

68. **Funding agreement:** These terms constitute a funding agreement between the Members and the Funder for the purposes of regulation 5C.11.01(b)(v) of the *Corporations Regulations 2001* (Cth).

69. **Conflicts of interest:** the Funder declares that it holds, and so long as exempted under regulation 7.6.01(1)(x) of the *Corporations Regulations 2001* (Cth) and as party to the Scheme will hold, adequate practices for managing any conflict of interest that may arise in relation to activities that may be undertaken by the Funder or an agent of the Funder, in relation to the Scheme, where "adequate practices" has its meaning in regulation 7.6.01AB(4) of the *Corporations Regulations 2001* (Cth).

70. **National Credit Code:** Under ASIC Class Order [CO 13/18] made under the *National Credit Code* (Cth), Funder's provision of credit to the Scheme / Members is excluded from that Code.

PART 20: OTHER MATTERS

71. PPSA:

71.1 At any time, without notice to or consent of any Member/s, the Funder in relation to the charge over the Recovery given effect by rule 60.2, may at its cost make application to register one or more financing statements and / or one or more financing change statements against any Member/s under the *Personal Property Securities Act 2009* (Cth).

71.2 If at any time the Funder so requests, within 5 Business Days a Member must give to the Funder that information about the Member that that Act and Regulations under that Act would require for the Funder to register an effective financing statement with respect to the charge.

71.3 If at any time after an above registration against a Member any of the Member's details for the purposes of an effective registration change, that Member promptly must provide up-to-date details to the Funder.

72. **Privacy:**

72.1 The Members acknowledge the Funder may collect and use personal information (within the meaning given in the *Privacy Act 1988 (Cth)*) about Members.

73.2 The Scheme may pay their share of any Recovery to any one or more of them; and

73.3 Notice to or from one of them is notice to or from all.

74. **A Member acting as a fiduciary:** Where a Member enters into their Member Agreement as a trustee, representative or in other fiduciary capacity (whether or not known to the Lawyers or the Funder):

74.1 That Member warrants that the Member entered into that Member Agreement in the proper performance of their duties as fiduciary;

74.2 The Member ceasing to act in that fiduciary capacity does not affect their past or continuing personal obligations under that Member Agreement; and

74.3 Except as required by law, the Scheme will not recognise any person as holding a Claim non-beneficially and the Scheme is not bound to recognise (even when having actual notice) any equitable, contingent, future or partial interest or any other right in respect of a Claim except the Member's absolute right of ownership.

75. **Notices:** To be effective, a notice under these rules must be in writing, name the Scheme, and be given either:

75.1 By hand delivery;

75.2 By mail / email to the recipient's mailing address / email address stated on the Member Agreement or as last notified; or

75.3 As permitted by legislation applicable to the recipient.
